

Certificate of Compliance
Girder and Panel® Building Sets
HYDRODYNAMIC® Building Sets
Bridge & Turnpike® Building Set

This is a Certificate of Compliance for the Girder and Panel; HYDRODYNAMIC; and Bridge & Turnpike building sets produced by Bridge Street Toys from Jan. 1, 2011 to Dec. 31, 2011. The Girder and Panel, HYDRODYNAMIC, and Bridge & Turnpike building sets consist of interchangeable plastic building pieces which can be put together to make different buildings and bridges. These building toys are for children ages 6+.

Girder and Panel, HYDRODYNAMIC, and Bridge & Turnpike Building Sets are in full compliance with all of the requirements of H.R. 4040 (The Consumer Product Safety Improvement Act of 2008). Periodic testing has been conducted to ensure that all products comply with the requirements of the Standard Consumer Safety Specification for Toy Safety - ASTM F963 and Title 16, Code of Federal Regulations.
